Opening Minds to the World
GEMS World Academy - Chicago

Each day, we prepare our students to excel both in and out of the classroom.

At GEMS World Academy - Chicago, we believe that education extends far beyond a classroom’s four walls. Each and every day, our students experience unique ways of learning that inspire new perspectives and answer deep questions. Lessons are infused with unparalleled excitement and passion, and they are enhanced by the innovative technology integrated in our state-of-the-art campus. Through frequent engagement with professionals and institutions in Chicago’s rich cultural center, and the strong connections they build with other students around the globe, our students grow and learn how they can positively impact the world.

GEMS World Academy highlights include:

- Inquiry-based learning: fostering an atmosphere of academic excellence and encouraging intellectual inquiry and critical thinking.
- Physical, expressive and creative arts as an essential part of a holistic education.
- Highly experienced international educators, committed to providing outstanding, mission-driven learning opportunities.
- Multiple world language offerings including: Spanish, French, Mandarin, and Arabic.
- Authentic curricular links and projects with schools from the GEMS network around the world, developing international-mindedness.
- Student-centered assessments.
